WHY YOU SHOULD ADVERTISE WITH THE STUDENT MEDIA CENTER

The Student Media Center has multi-platform advertising opportunities that cover a broad range of demographics. Whoever your target audience may be, we can help you reach them through **print, online, TV and radio** advertisements. SMC offers discounts for advertisers who bundle some of their packages. See pg. 16.

PRINT Print = Increased Engagement

When a consumer has a newspaper in their hands, they stop all other activities and focus on that content. This length of attention is rare these days and very valuable.

ONLINE Online = Measurable

Online analytics tools can help show what's working for you and what's not, allowing further targeting of your marketing spend. It can also provide priceless data on what your ideal customer looks like - allowing you to further target your advertising to your most lucrative audiences.

TELEVISION TV = Personable

Advertising on TV allows you to convey your message with sight, sound, and motion, which can give your business, product, or service instant credibility. It also gives you an opportunity to be creative and attach a personality to your business, which can be particularly effective for businesses that rely on repeat customers.

RADIO Radio = Reach

Listeners usually tune in at work or while driving or exercising — situations where they are usually alone and all ears. They can be reached when they're away from home and ready to buy. Radio advertisements are able to engage with audiences in a personal and unique way.
